THANKS

We would like to use the pages of Bar Hill News to thank Veronica Webb for the time and effort that she puts into organizing the "Litter Busting" effort in Bar Hill each year. Unfortunately, this event is not well supported by the village but the people who do turn up can quickly make an impact on the small area each is able to cover. Our family is grateful that we are motivated on at least one day a year to help clean up our environment!

Goodbye

I would like to thank the parents and children at Bar Hill School for all their support over the past 9 years. I really enjoyed teaching your children. I would also like to say thank you for the gifts, cards and good wishes I received during the last week of term. I am sad to be leaving Bar Hill, but am also looking forward to the challenge of teaching in Huntingdon. Thank you for everything.

### Tesco computer vouchers

We at the school were delighted to hear that TESCO are again running their vouchers for computers idea.

Our close proximity to the TESCO store here in Bar Hill has enabled us to do very well out of previous promotions, and I am now seeking the help of everyone in Bar Hill to make this year a really good effort.

We would like you to:

1. Ask all your friends who shop at Tesco to be sure to ask for the voucher available with every £25 they spend.
2. Let us have these vouchers by:
  - a) Putting them in the box which will be in the Post Office
  - b) popping them into the school office
  - c) giving them to any child who attends this school.

The boys and girls at this school become very interested in our collection of vouchers because they know that the results will make learning more interesting and pleasant for them. I know that they join the teachers and me in thanking you very much indeed.

Best Wishes

Roger Kilsby

(P.S. Anyone who wishes to see children using computers in their learning will be very welcome to call into school. The children will be delighted to explain.

## BAR HILL PARISH COUNCIL

The monthly meeting of the Parish Council was held on Thursday 20th April in the Old Farmhouse at 7.30 pm.

Youth Facilities: A project providing joint facilities in the Old Farmhouse is still being pursued. Arrangements are being made to survey the building and assess all the necessary work to be done.

Drainage of Village Green: Exploratory work was being carried out in April; the results of this should be available for the May meeting.

Cycleway - Bar Hill to Dry Drayton: No plans were yet available for the cycleway but it was understood that it would constitute a narrow tarmac path. Councillors felt the cycleway would have to be separated from the bridleway because of the damage from horses.

Parish Councillor Governor for Bar Hill School: C. Feather having resigned from this post, Cllr. D. Pora was elected to represent the Parish Council on the Governing body.

Overnight parking of lorries on industrial areas: A continuing problem in Bar Hill, it was hoped that if several companies affected by this were to join together in objecting, they would add reinforcement to the Parish Council's ongoing attempts to achieve a weight restriction on the village.

Tennis Club: Councillors granted permission for 2 tennis courts (all weather) to be sited on the Village Green, financed by the Tennis Club.

Application to sell hot food from van at end of the Mall: A further licence application had been received. The Parish Council agreed this for the requested 3 days per week, on the same terms as the previously granted licence.

Allotments shed: As this had been largely destroyed during a recent storm, permission was granted for a garage building to be erected to replace the shed. The Parish Council also agreed to waive the payment due from the Allotment Society rents for the next year.

Viking Way Adoption: Following further problems with the up-grading of this road, it was agreed that only the main area of road, from Saxon Way to Hanover Close, would be up-graded for adoption by the County Council in the near future. Residents whose caravans have been moved off the car park may move them back onto it, but please ensure that the Clerk has a record of the caravan's registration number.

All the plots are now let, but if anyone is interested in having one please contact the Treasurer, Jane Cullum, at 3 Almond Grove (780573) and she will put your name on a waiting list. The Annual General Meeting will be held on Wednesday 17th May at 8.15 pm in the school studio, and members are asked to do their best to attend, as there are some important matters to be discussed.

## BAR HILL NATURE RESERVE

Hi again,

What a month; the hedgerows are green and white, the fields are green and yellow, things are looking really superb out there.

At the Nature Reserve, I was recently given some Marsh Marigold plants. These are now situated in and around the pond and flowering. There's frog spawn and Toad strings in the pond, Pondskaters and whirligigs "zooming" about on the surface ..... looking for a meal.

In the stream, the minnows and sticklebacks are breeding, the males looking very handsome in their 'red colours', trying to keep their females together and protect their nest site, under some of the bridges. There are some lovely looking leeches - it's fascinating to watch them 'looping' their way about.

I was fortunate enough to see all three species of woodpecker (Green, Greater Spotted and Lesser Spotted) on the same day at the Reserve. Chiffchaff has been spotted there and I've also seen a sand martin flying over Swavesey church (2nd March). Lots of birds are at the reserve now; have a walk around and listen to their songs (the males trying to 'pull' the females) - this is what spring is all about.

The badger sett in the village has been interfered with; one of the entrances has been filled in and an attempt to dig down to it has been made in the field. If anybody has any information regarding this, could they either 'phone me or speak to me about it .... everything will be in the strictest confidence. Thanks.

I would like to take this opportunity to thank Paul Lloyd (Lloyd's Petfoods) for giving me the money to pay for the new Nature Reserve sign, thanks, which is now sited, along with the patched up notice-board, in front of Field View, where hopefully it will be a bit safer.

## 'From My Window'

The view from my window is not what it was  
It seems progress has taken over,  
Dusty tracks are replaced by tarmac paths  
And concrete covers the clover.

The pond that was down the lane  
Home to newts, frogs and toad,  
Is home to them no longer  
It's filled in, and under the road.

What were paths, are now tarmac roads  
Houses have replaced the wood, You can hear the  
baby cry and the noise of the car  
But no birdsong ..... it's gone for good.

HAPPY HOURS - BAR HILL SENIOR CITIZENS CLUB (The recycled youth club)

Holidays: Welcome back to Sid and Ruby after their holiday sojourn in Tenerife; they certainly deserved a break from their activities in the club. The general opinion of those who went to Lyme Bay - what a marvellous value for money! No-one could complain about the first-class accommodation, food and entertainment. It certainly was worthwhile and how cheap compared to the cost charged to other parties.

Trips out: Our next one will be Wednesday 29th May - "The Saville Gardens". I need not remind you how popular this venue is - let Sid have your names as soon as possible to avoid disappointment. Remember, there is NO MEETING on Monday 8th May, being a Bank Holiday, But it is VE DAY and the Social Club have invited all members of Happy Hours to the Club to celebrate the event. Phyllis did give out the details at our last meeting, which included a QUIZ at 8 pm, a free sausage and mash supper and other forms of entertainment. Music from that era will be played all evening. It is anticipated that at least 30 of our members have opted to go. Come along and enjoy yourselves. Our sincerest thanks go to Graham Sadler, the Chairman of the Social Club Committee, and the Committee members for their kind invitation.

Also remember, Monday 29th May is a Bank Holiday - sorry we will be closed again!

Sick list: It was a pleasure to have a committee helper, Pat Southgate, back with us once again and sincerely trusting she is getting over her operation. Violet Wigzell was back in Addenbrookes and was pretty poorly for a short while - we do understand she is making a slow recovery and we all wish her well. Check her ward with Sid if you wish to send her a get-well card.

I am on the scrounge: During recent weeks we have added a further game to our annual competitions - Rubicum (I think that's how it's spelt). If anyone

Jimmy James, Secretary 781124

in the village has one at home which is not being used we would indeed appreciate it.

TESCO's Club Card scheme: Our Chairperson, Phyllis mentioned in last month's issue that we had not yet received a reply to her letter; we still have'nt; the position remains "sine die".

Weekly speakers: Phyllis is busily engaged arranging speakers for the month of May; Phyllis will acquaint you with all the details nearer the time.

Last but not least: What a welcome sight to see all that dry weather immediately before Easter after all that incessant rain, and what's more we had a little sun. I only wish they could do something about those perishing winds in Bar Hill. Don't forget, you gardeners, do not be too hasty in getting out your bedding plants and hanging baskets, winter's not over yet. This is the only country in the world where we get four seasons' weather in one day - are'nt you lucky?

As Arthur English used to say "That's your lot". How many of you remember him and his enormous tie?

"SING A SONG OF SIXPENCE"

Sing a song of sixpence

and what it used to buy

A big plate of fish and chips, or a meat pie

Happy hours of dancing

A ticket for a show

Oh, magic little sixpence

How far you used to go.

They say we're better off now

When pound notes pass like pence

But we should not look backwards,

If we had any sense.

But to us old codgers

The happy memories cling,

To when a magic little sixpence

Could buy almost anything.

COLTS FOOTBALL

As we enter into May, another season draws to a close and the boots are put away until August, the Committee of the Colts swings into action, organizing next season, arranging fundraising activities to ensure that we maintain and hopefully enhance our current standards. On the fundraising front, please note the following:

- 20th May Presentation Evening
- 18th June Dad's Five-a-side (yes, the wrinklies will be cleaning their boots again, for more mid-summer mayhem).
- 24th June Summer barbecue and disco. Please note that tickets costing £7 will shortly be available from managers and other Committee members. As this is always a popular event, I suggest that you reserve your tickets NOW!
- 1st July Village Fete. We are organizing a 5-a-side tournament for the lads in the Club, and intend to stage approximately 40 games during the afternoon. More details next month.

As at 15th April, our League teams were holding the following positions:

Under 10's 8th in Div 10B

Under 11's 9th in 11A

Under 12's 5th in 12A

Under 13's 4th in 13B

Under 14's 3rd in 14D (season completed)

Under 15's 5th in 15A

Under 16's 8th in 16C

Two thankyou's this month: firstly to those residents in Acorn Avenue and Appletrees whose gardens back onto the school playing field. We appreciate the frustration which must be caused when our footballs fly into your properties, and thank you for returning the balls, and more importantly for your patience with us. The second thankyou goes to the Social Club for funding the purchase of a set of portable goals, costing £500 - a much needed and appreciated donation!

On a sour note, one of our managers spent some time before a League game in late March clearing dog's mess from the Village Green pitch before he could let his lads play. Can I again, through these pages, appeal to the minority of dog owners who let their animals foul the Village Green, to think of the others who have to use this area?

Final League positions and winners of the Player of the Year, etc will be published in next BHN.

Neville Watson

BAR HILL FOOTBALL

The 1994/5 season will be almost over by the time you read this and we shall be looking back on a very frustrating but reasonably successful season. Having won the Sunday Challenge Cup for the first time, beating our old rivals Sawston Keys 2 - 0, and then won through to the final of the Mortgage Quest League Cup of which we are the holders, we then concentrated on trying to win the League. This is another trophy we have never won and it was very disappointing to have lost to Girton Eagles 2 - 1 who are now favourites for the title. However we do have a chance for revenge as it is them who we play in the League Cup final. This game will be played on 14th May at the Trumpington Stadium, k.o. at 10 am. Please come along and support your village team.

Success has not been limited to the 1st team; our 3rd team have finished runners up in league 5 in their first season and our 2nd team will know by now if they too have come second in their league Div 2B. Whatever the outcome of these last few games it has been a very good season for Bar Hill.

Our Club activities do not end when we walk off the pitch. We recently had a very enjoyable evening ten-pin bowling at Peterborough and are planning an evening at the 'dogs' at Walthamstow. Our season ends with a Presentation Dinner and Disco which will be held at the City Stop in Cambridge, where we always have a great evening out.

ANNUAL GENERAL MEETING

The AGM will be held on Monday 5th June in the Village Hall at 8 pm. All players are requested to attend. This is the time when the committee is elected and you can say how you want the Club to progress. We also welcome anyone who is interested in becoming involved in running the Club. We always need helpers on the pitch, the dressing rooms have to be kept in good order, fundraising is essential; the list is so long - if you feel you have anything to offer come and join us. Finally, any new players would also be very welcome. We must keep pressure on the current players, some of whom are getting on a bit (no names mentioned!).

BAR HILL SPORTS & SOCIAL CLUB

With Easter and St. George's Day now past it is time to look forward to the summer and hopefully some decent weather.

Following the AGM and a recent meeting with the Village Hall Management Committee we are pressing on with development plans for the improvement of the whole Village Hall and in particular a new expanded balcony facing onto the Village Green.

A meeting with the Parish Council is now high on our agenda of priorities and we hope to see some benefits this summer!!

No dates have been chosen yet, but continue to read the notice-boards for further details of summer barbecues and our childrens' trip.

This year the committee has agreed to select a charity for fundraising for the forthcoming year and hopefully I will be able to give you more details next month.

Also, following my mention last month of our VE Day Celebrations on Monday May 8th 1995, I am able to report preparations are well under way and by the response received so far it looks as if an enjoyable evening can be well assured.

Our membership continues to rise and is now well over the 800 mark, which, although small when compared with the numbers living and working in the village, still seems to suggest our welcoming atmosphere, pleasant surroundings and pricing policy appear to work.

Membership fees remain unchanged. Our membership year runs from 1 September to 31st August and costs £3 (£5 after 1st October) and £1 for Senior Citizens - these are both per person. So, if you would like to join or come up to look around you are more than welcome.

Graham Sadler
Chairman

ROYAL BRITISH LEGION

At our April meeting the Treasurer reported that the dance in March had been a financial success; also that the Poppy Appeal for 1994 would now close at £4,207.20. This is the first time we have exceeded £4,000 and once again we thank everyone for the effort made to achieve this total.

There will be a ceremony to celebrate VE Day in Milton Park on Monday 8th May. The Parade with Standards will assemble at 10.15 am to march off at 10.30, followed by the Dedication of a Memorial Stone. All are welcome.

Bar Hill Social Club has kindly invited our members to join them for an evening Celebration of VE Day on 8th May and a number have accepted.

Our next meeting will be in the Farmhouse on Thursday 11th May at 7.30 pm.

BAR HILL DISTRICT GUIDE ASSOCIATION

On the 18th March, the Guides and Rangers held a jumble sale in the Octagon to raise cash towards an outing, and made almost £100 profit. Thanks to all who donated and purchased the bargains on sale. The Rangers had a second-hand toy stall which was to raise funds for their trip to the Scottish island of Canna in August. Hard work for all involved but worth it.

The following day was the dress rehearsal for the Division Gang Show. The girls were surprised by the photographer from the Cambridge Evening News, but pleased when the photo appeared in Wednesday's Evening News. Didn't they look nice?

The girls (and 'Ladies') performed on the evenings of the 24th and 25th March and a matinee on Saturday to packed audiences at Swavesey Village College.

The Rainbows started the show with a song from Disney's "Aladdin" with Harriet Storey and Sian Hutt acting as Aladdin and Jasmine. They were followed by the Guides doing a Chinese Lion Dance. Later in the show the Guiders had a sketch aptly named "Girls just wanna have FUN", so some parents will now know why the Guider went into a particular section of the Association. The Brownies danced and sang their way through the second half covering the 1920's or Pearly Kings and Queens. I hadn't anticipated being asked to perform a sketch wearing a pantomime dame's outfit, entitled "Fat busters"! Throughout the show there were "commercial breaks" by our four Rangers. The video is available to hire if anyone wants a good laugh.

Despite the Gang Show, the girls still managed to make Mother's Day cards and presents, which shows how creative they really are.

2nd Bar Hill Brownies held a 45 minute sponsored silence on the 28th of March, the money to be used to buy the girls' newly released handbooks. I am sure to be joined by the parents in saying I didn't

think they could do it - thanks for proving me wrong!

The term ended with various activities and preparations for Easter.

Despite the holiday, the Guiders were out on the evening of 10th April to find out more about the Guide Association "Look Wider" scheme. These are challenges for 14 - 26 year olds which enables them to try various activities, improve in one skill, and then if they gain a qualification they can be awarded a Certificate of Achievement which is recognized by the Education sector as well as by employers. This proved a very interesting topic and I was pleased to see 5 girls from the village attend. I hope they take this opportunity further (probably after the GCSEs are completed).

My final note is about these older girls. Over the last few months I have pointed out how much effort our Rangers have put into Guiding within Bar Hill. At present they are operating without a permanent Guider, so if anyone remembers with fondness their days as a Ranger and could volunteer, or thinks they could help to keep the group running and wants to know more, then please contact me,

### DECORATIVE PAINTING ON WOOD

I teach (in my kitchen!) an art of painting on wood, walls or almost anything!!

It is a technique which is very easily learned; absolute beginners can become wonderful painters!

It's lots of fun, swapping ideas and hints and you can have a cup of coffee whilst relaxing into your paintbrush!!!

Why don't you ring me and we can have a chat about it? I am starting classes at Swavesey VC but they don't start until September, so get in now!!

You only need a real minimum outlay for brushes and paints.....
